Re: Rivera v. City of Trenton, et al
Docket No. 3:11-cv-02559

So Ordered this 2nd day
of November, 2011

Dear Hon. Goodman:

I managed to speak with George Somers, Esquire, regarding the above matter after the Initial Case Scheduling Conference scheduled before Your Honor on Monday, October 24, 2011. As advised at that time, Mr. Somers was unaware of the hearing and in another courtroom at that time.

In any event, I am writing to advise that during our conversation Mr. Somers advised that he would like to have some time to re-review the file, speak with his clients and then determine whether they may wish to seek other counsel or he may wish to bring someone else to either take over the file or assist him with it. He mentioned needing something in the area of sixty (60) days for that purpose and I advised him that I thought it would be best that we notify the court of this and set up a conference call so that it might be addressed.

My office will be in touch with both Your Honor's Chambers and Mr. Somers in the near future to schedule such a call. Obviously, if the Court would like us to come in to discuss the matter in person we would be happy to do so.

Respectfully,

s/J. Brooks DiDonato
